

GDM Class 86 extent 1990

Scientific Name

Abutilon fraseri
Abutilon leucopetalum
Acacia acinacea
Acacia ligulata
Acacia rivalis
Actinobole uliginosum
Allocasuarina verticillata
Alyogyne hakeifolia
Callistemon linearis
Calotis scabiosifolia
Calytrix tetragona
Cardamine lineariloba
Cassytha flindersii
Casuarina pauper
Commicarpus australis
Erodium crinitum
Eucalyptus camaldulensis
Eucalyptus flindersii

Common Name

Dwarf Lantern-flower
Desert Chinese Lantern
Gold-dust Acacia
Dune Wattle
Creek Wattle
Camel Dung
Drooping Sheoak

Narrow-leaved Bottlebrush
Rough Burr-daisy
Common Fringe-myrtle
Annual Bitter-cress

Belah
Perennial Tar Vine
Blue Storkbill
Red River Gum
Grey mallee

Eucalyptus intertexta
Eucalyptus porosa
Eucalyptus socialis
Exocarpos cupressiformis
Geranium solanderi
Glischrocaryon flavescens
Gossypium sturtianum
Hakea ednieana
Heliotropium europaeum
Leiocarpa tomentosa
Lepidium oxytrichum
Lotus australis
Malus pumila
Marsdenia australis
Medicago minima
Mentha satereioides
Nerium oleander
Nicotiana gossei
Olearia pimeleoides
Oxalis perennans
Oxalis pes-caprae
Petalostylis labicheoides
Pimelea petrophila
Proboscidea louisiana
Prunus dulcis
Prunus persica
Santalum acuminatum
Senecio glomeratus
Senna artemisioides
Sida petrophila
Solanum nigrum
Swainsona formosa
Swainsona stipularis
Trichodesma zeylanicum
Zygophyllum apiculatum

Red Box
Black Mallee
Red mallee
Cherry Ballart
Austral Crane's-bill

Yandena
A Heliotrope
Woolly Plover-daisy
Green Peppercress
Austral Indigo
Apple
Doubah
Burr Medic
Native Pennyroyal
Oleander
Rock Pituri
Burrabunga

Soursob
Butterfly Bush

Purple Flower Devil's Claw
Almond

Quandong
longfruit purple fireweed
Silver Cassia
Rock Sida
Black Nightshade
Sturt's Desert Pea
Orange Darling-pea

Callweed
