*The Air Strip*

# Adaptation Options

Adaption option hem way by iumi save luksave anda managem nao risk. Diskaen ya iumi save achievim taem iumi luksave lo impact anda reducim nao risk taem iumi mekem sumfala sumting. Lo table lo undanit ya nao Adaption options lo oketa area wea high priority assets wea kommuniti hem tingim.

Assets	Summary blo adaption options wea kommuniti nao tingim and talem
Taro Aelan in general	<ul style="list-style-type: none"> <li>Plantim oketa tree lo coast for lukaotim nao giraon anda osem buffer</li> <li>Buildim sea wall, or oketa wave breakers</li> <li>Mekem wanfala tsunami evacuation and recovery plan</li> <li>Upum nao building for mekem high lelebet</li> <li>Meksave nao oketa niufala buildim oketa high</li> </ul>
Lauru Provins Gavman Buildings	<ul style="list-style-type: none"> <li>Mekem digital data backup blo infomasion anda putim gut lo Honiara</li> <li>Archive oketa document blo bepo anden putim guti lo gavman building lo Taro, or lo mainland</li> </ul>
Telekom communication infrustrukcha	<ul style="list-style-type: none"> <li>Raisim nao building anda generate platform</li> <li>Buildim niufala or backup service wea by stap lo mainland</li> <li>Buildim wall blo solwara lo front lo generator supos save buildim wall raonim full building nao</li> </ul>
Haus sik	<ul style="list-style-type: none"> <li>Relocate go lo mainland</li> <li>Buildim nao groynes or wall blo mekem solwara no kapsaet lo haus sik</li> <li>Revisim nao plan blo evacuation and developim niufala education program</li> <li>Buildim multi-purpose hall anda safe haus lo giraon wea high lelebet</li> <li>Outim nao roof anda buildim nara storey antap</li> <li>Upgradim nao CBPSS for hem save cater lo evacuation</li> </ul>
Airport and oketa building blo balus	<ul style="list-style-type: none"> <li>Mekem nao airport hem high and long lelebet</li> <li>Relocatim nao airport go lo mainland</li> <li>Mekem wanfala fast ferry service</li> <li>Taem blo emergency by iusim nao airport wea closup or helicopter</li> <li>Mekem wall blo solwara lo south end blo airstrip</li> </ul>
Paoa haus	<ul style="list-style-type: none"> <li>Raisim nao paoa haus or relocatim go lo ples high lelebet</li> <li>Faedem nao paoa sos wea no diesel osem alternative</li> <li>Putim solar panel lo oketa haus</li> </ul>
Haus blo residence	<ul style="list-style-type: none"> <li>Raisim nao oketa haus off lo giraon</li> <li>Relocate go lo mainland</li> <li>Buildim nao niufala haus lo niufala safe standard</li> </ul>
Guest haus and oketa haus blo bisnis	<ul style="list-style-type: none"> <li>Raisim nao haus off lo giraon</li> <li>Shutem nao bisnis anda openem niufala bisnis lo mainland</li> </ul>
Wata supply	<ul style="list-style-type: none"> <li>Installim nao guttering anda wata tank lo oketa haus stanap distaem (haus private and blo kommuniti)</li> <li>Mekem nao pipe wata from mainland</li> <li>Buildim desalination plant</li> </ul>
Rot blo tarake	<ul style="list-style-type: none"> <li>Mekem rot blo tarake hem lelebet high</li> <li>Mekem wall blo keepim solwata out or groyne</li> <li>Lukluk lo wea moa rot save go lo hem, alternative route</li> </ul>

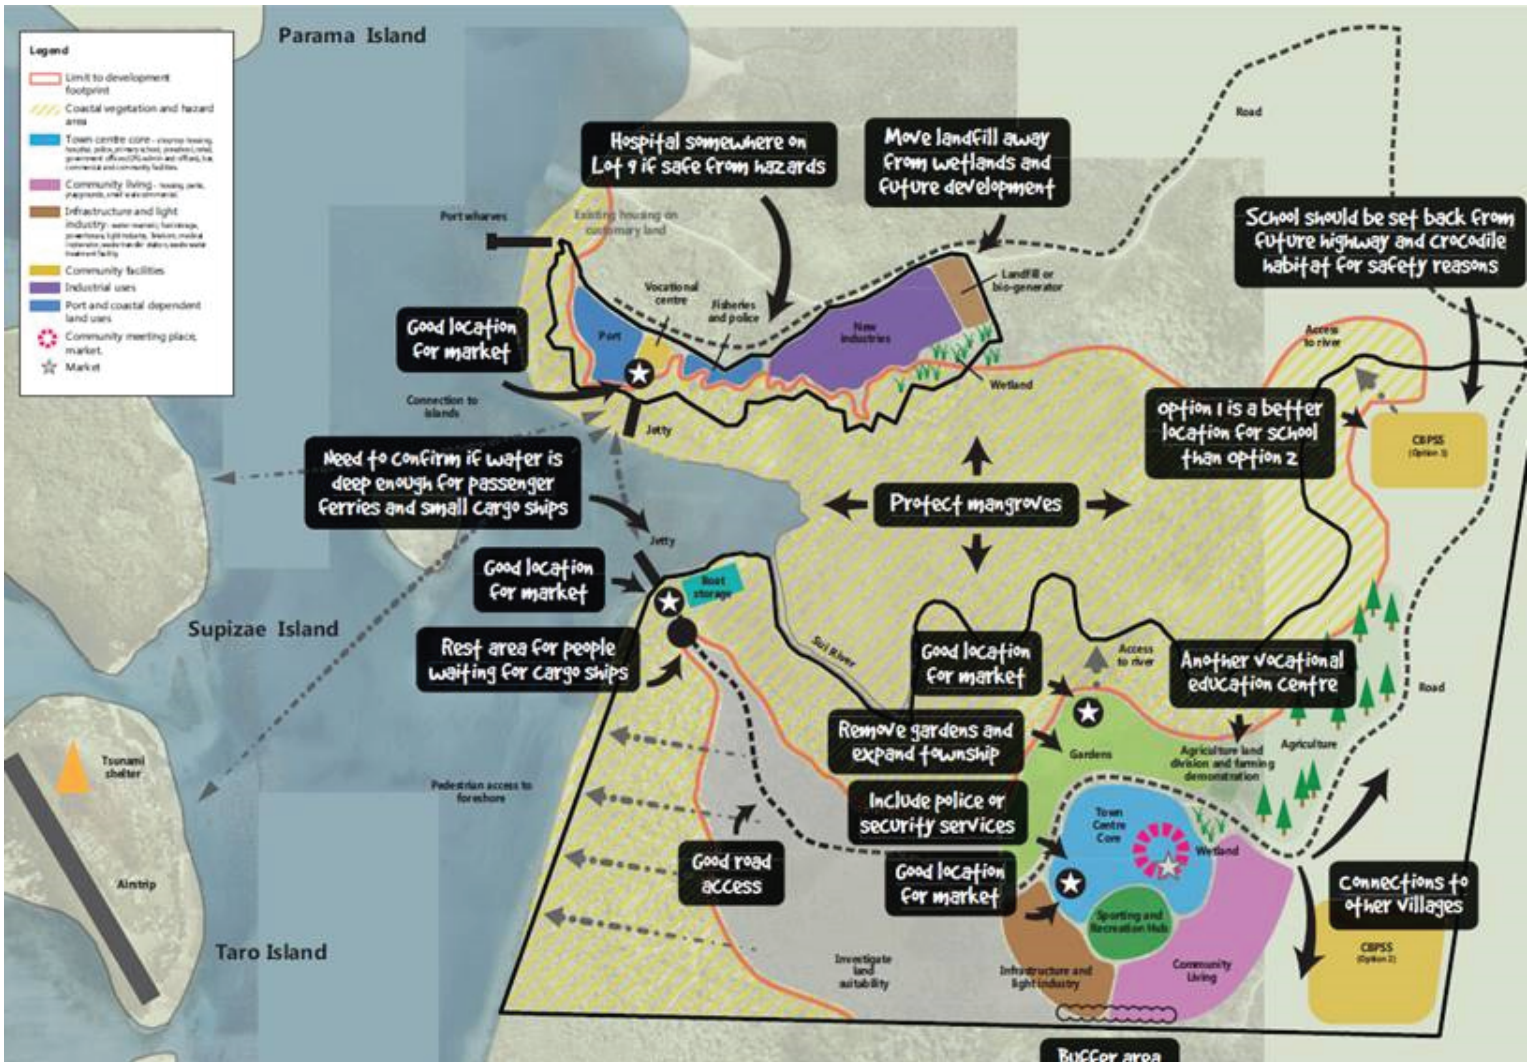

Olgeta toksave ya projek team hem hem luksave lo hem, Lauru Provins Gavman and Solomon Gavman tu luksave lo hem. Olgeta tingting blo kommuniti tu hem insaet lo Adaptation Plan blo Lauru Provins.

# Concept Plan Options for the New Township

Projek team hemi waka wantaem Laturu Provins Gavman lo wanfala plan blo niufala taun. Land blo taun hem blo provins anda iumi save lukim lo map.

Trefala concept plan nao presented go lo olgeta kommuniti memba anda Laturu Provins Gavman. Mefala askem nao kommuniti memba lo wanem oketa laekem anda no laekem. Best option lo oketa plan ya nao nem blo hem plan 1b. Lo below iu save lukim nao option blo Plan 1b wantaem olgeta kommuniti comment. Wanfala amended concept plan mefala developim based nao lo olgeta comment blo kommuniti anda hem nao Laturu Provins Gavman anda Solomon Aelan Gavman.

# Nara Steps

Lauru Provins Gavman nao by mekem plan blo Adaptation. Taem Gavman hem mekem finis by hem tok stori wantaem kommuniti lo tekem nao tingting blo oketa lo disfala Adaptation Plan ya lo June 2014. By garem tu wanfala presentation blo concept 1B plan for niufala taun area lo mainland. Taem mekem waka blo plan ya, by mus garem staka gudfala supot and funding. Steps lo plan mefala help lo mekem lo 6 months go finis by helpim nao Lauru Provins Gavman lo faedem funding for mekem nao niufala taun lo fiucha. Tenkiu tumus lo iufala everiwan lo taem blo iufala and involvement lo disfala projek. Oketa memba lo team ya hapi tumus for waka wantaem iufala olgeta.
